

Heya Mark,

25 Dec 2015

Good Job! Year #2 at doing this. Lets get a recap:

- Nancy (your second wife) divorced you, and she has "informed" you she will be ~~go~~ coming when she has the money. you still mess her.
- You FINALLY QUIT SMOKING in April.
- You weaned Jennifer from Heroin and Skye. She met with Devon for the first time last weekend, and things went well
- Jamie and Devon JUST FINISHED, ugh.....
- I last travelled to Indonesia this year and nowhere
- I've been employed at Synacor
- I Just Whooped Angels Ass tonight, and now I'm scared to introduce her to her mum next weekend.
- I bought Devon and Angel Cell phones for christmas,...

I dated a girl (Marie Daffard) this year, and we reintroduced each other to the transit Drive-in. I committed to Jen after 3.5 months with Marie. I still talk about Nancy, and I'm about to "Archive" everything so I can begin to forget.

I have Set some new years resolutions, such as dental health, physical fitness, finances, and singing on-key. I'm also going to try to get Jake out and get the kids in. Too many goals...

Third time is a charm. 25 Dec 2016!
